TIME IS PASSING LOVE IS LEFT

This kitchen use guili board , which mainly is high gloss , giving people the feeling of" clear and luxury", putting a touch of freshness in the home environment .

Marble Kitchens have always spelled luxury .

Marble countertop match with high gloss guili board .

which is more luxury .

Handleless design makes the kitchen simple and unique . With island design let you have more operation space .

Grey laminate finish with wood grain elements creates a cheerful and imaginative space . White countertops light up the entire space .

Sophisticated finishes, clean lines and carefully considered details give this series style credentials that few other kitchens can match. The Golden elements are well embedded into this design like the door handles, the bar support leg, and the golden framed glass doors, greatly lifting the level of the whole kitchen.

White is a timeless color choice, and sure to brighten up any space for a fresh, clean look.

Simple but practical design makes infinite possibilites .

Life is simple , desire is still simple , simple to build up , light to carry forward , life journey will not sink because of the heavy burden .

SKIN MORE SERIES

When you touch life , life also senses your temperature . Like a confidant , listen to you , perceive you , and understand you .

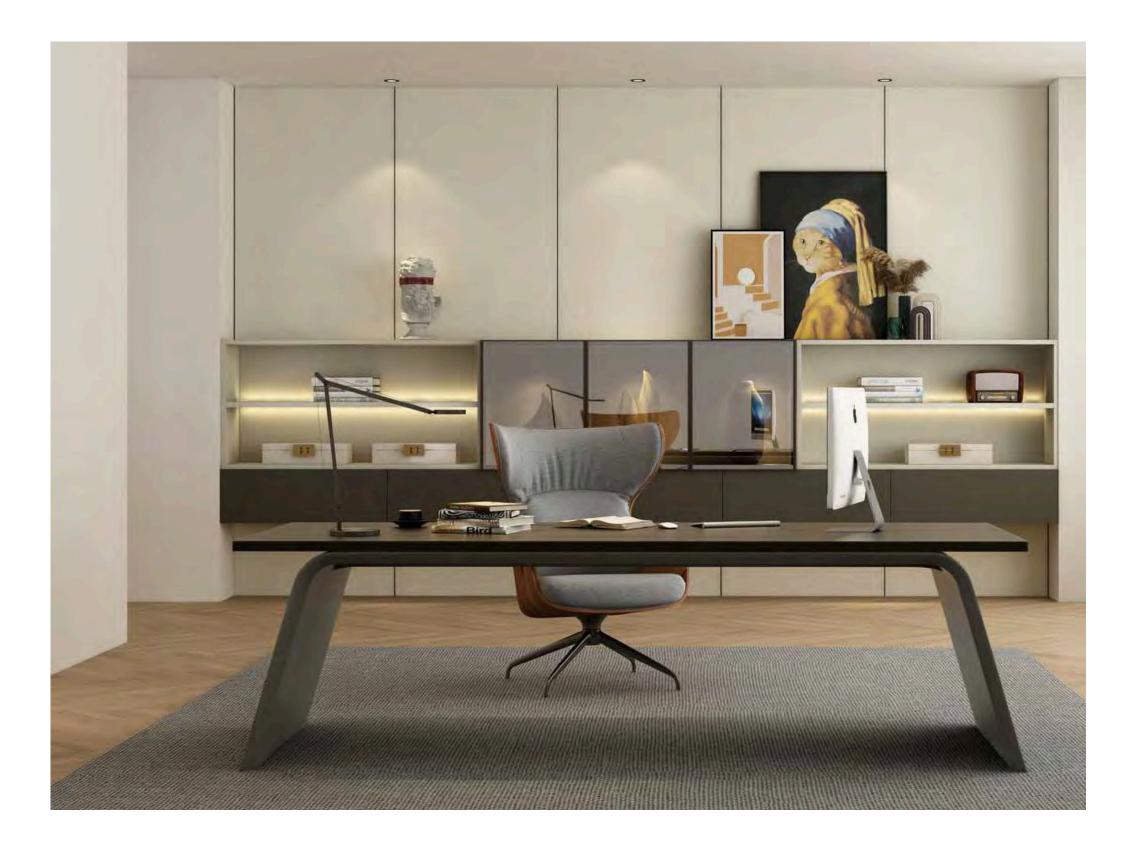

Skin More series mainly use roujing board , which has a delicate touch , silky as skin , unique color –ryukin purple .

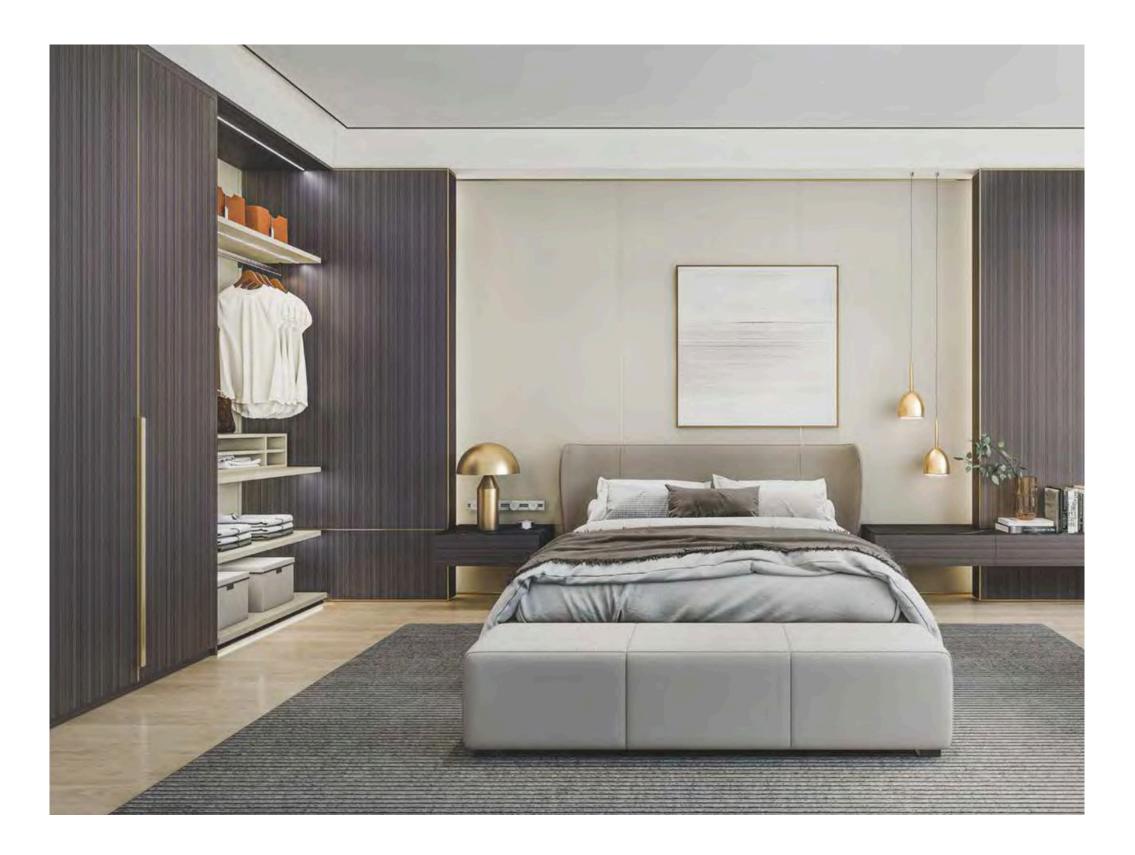

The combination of wood grain and gold wire texture , luxury but not

tacky. It creates an elegant and luxury home atmosphere .

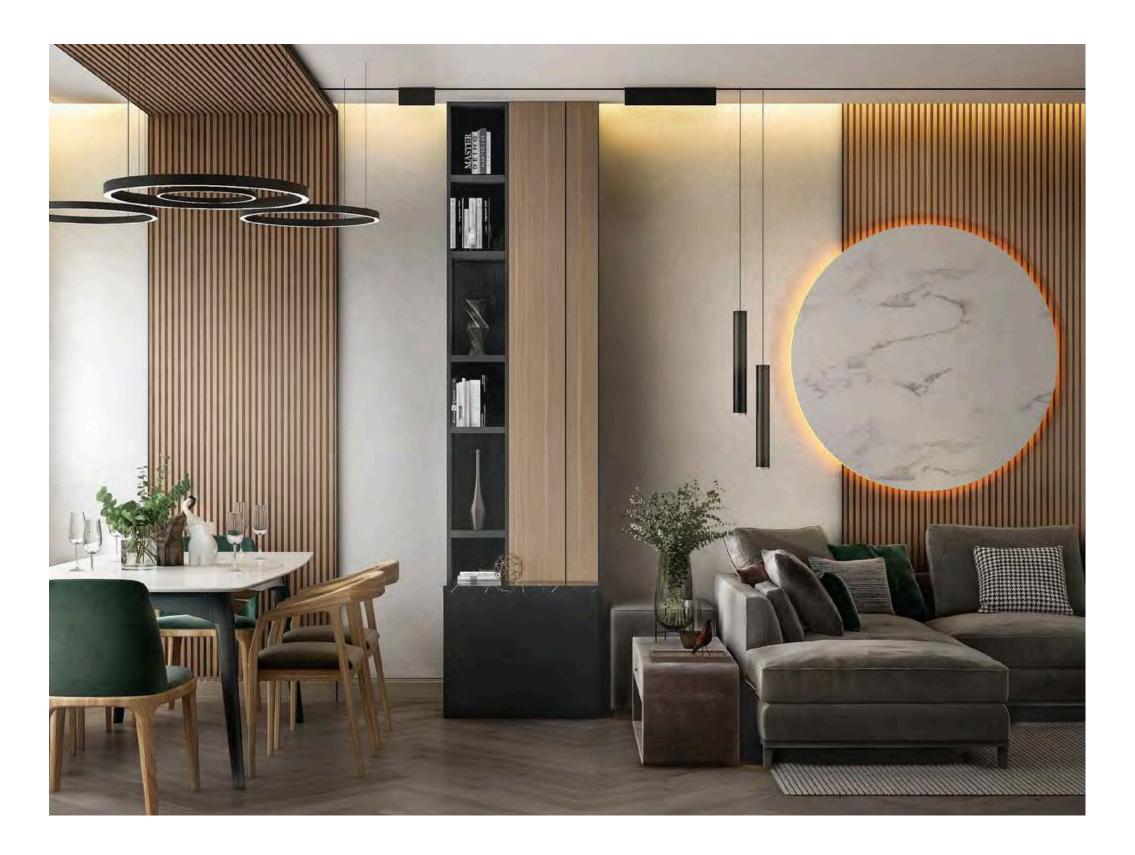

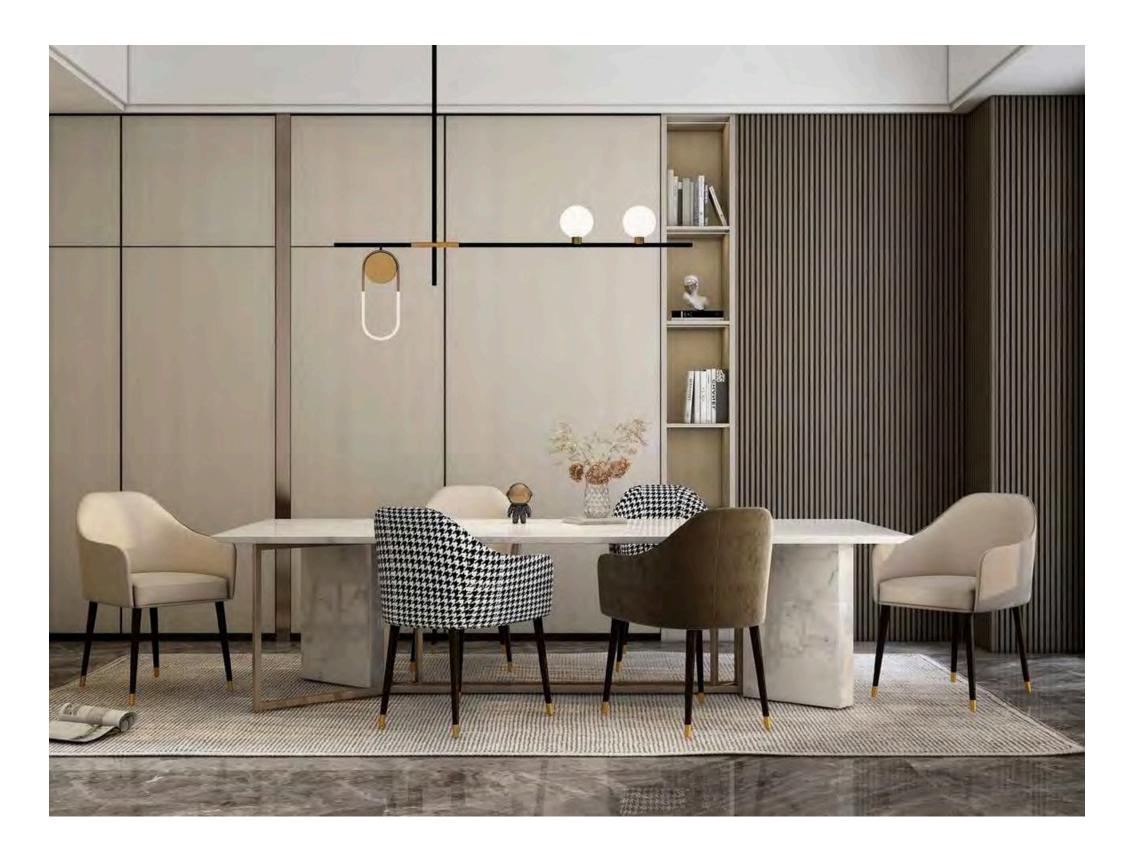

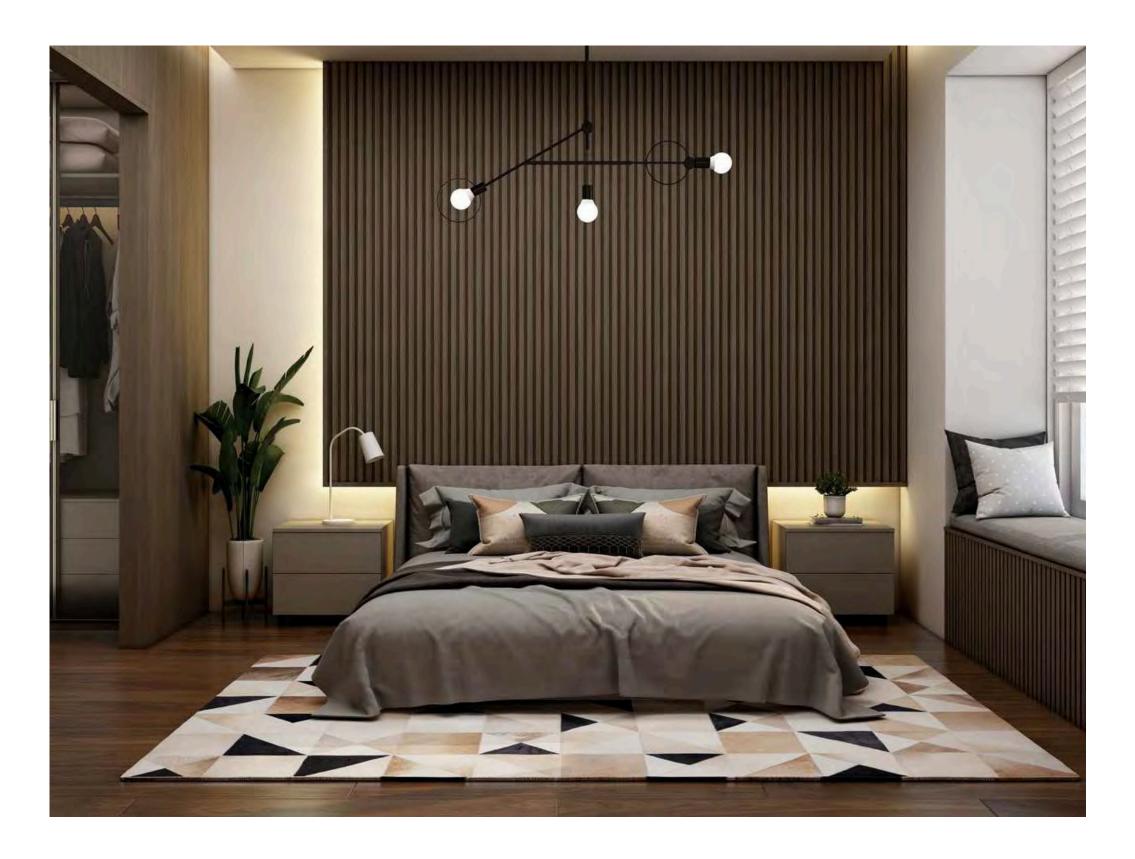

NATURE MORE SERIES

It expresses not only a design concept, but also a spiritual sustenance. It is a childhood memory that people think of when the lights are dim.

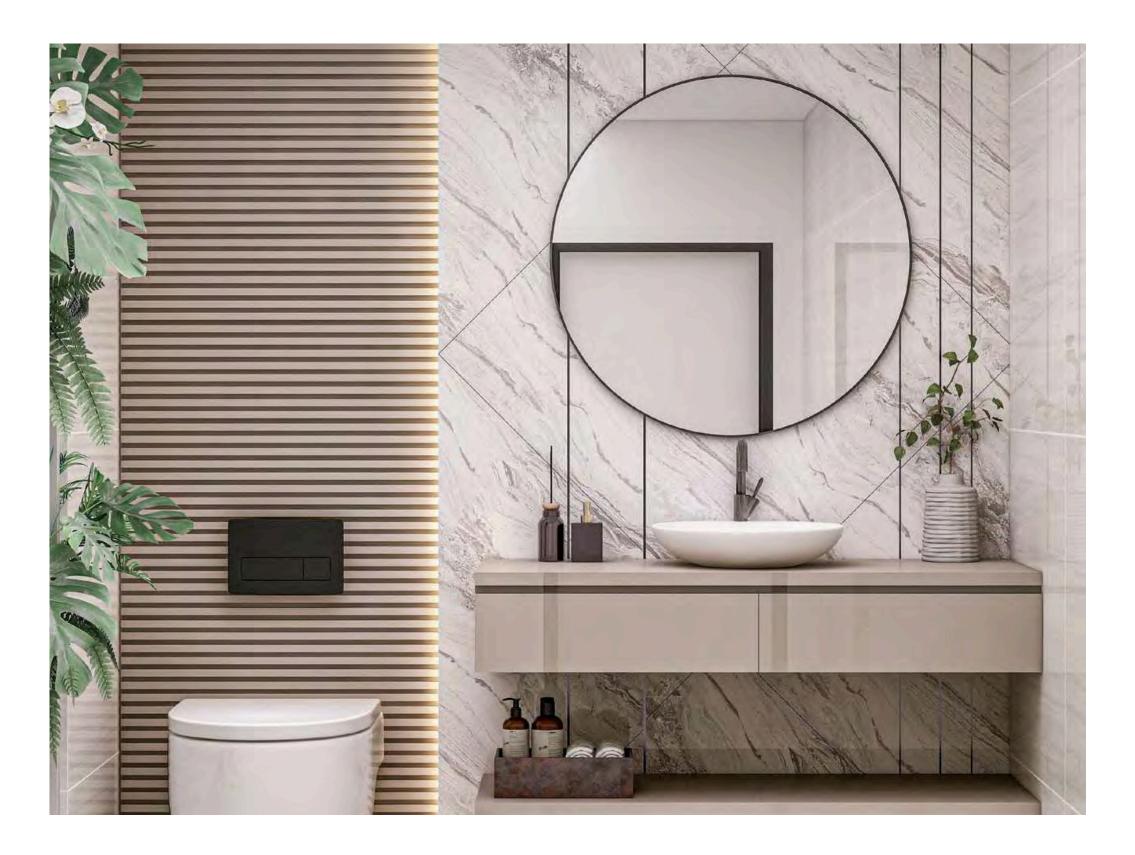

Nature More Series mainly use smoked sandalwood as the main color, committed to creating nature wood grain series of light luxury home space. Smoked sandalwood has a unique personality whether it is used as the carcass color or the panel color. It brings the natural forest into the modern city through large-scale paved.

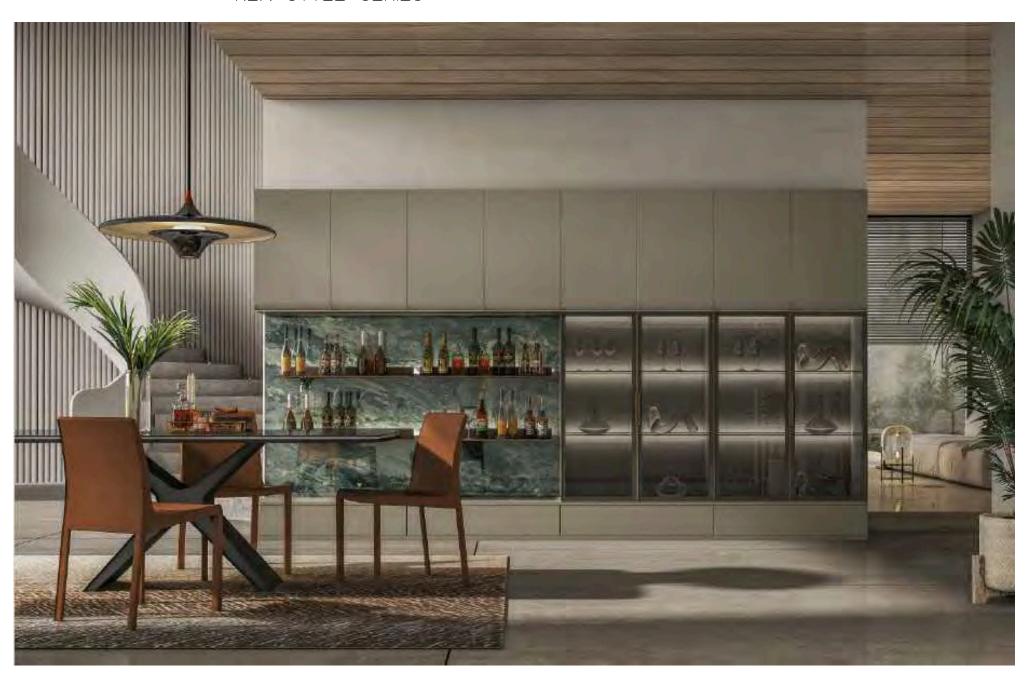

NEW STYLE SERIES -

Zaka

The squareness of the cabinets is harmonized by the arc of the upholstered furniture, and the space is coordinated and unified.

The squareness of the cabinets is harmonized by the arc of the upholstered furniture, and the space is coordinated and unified.

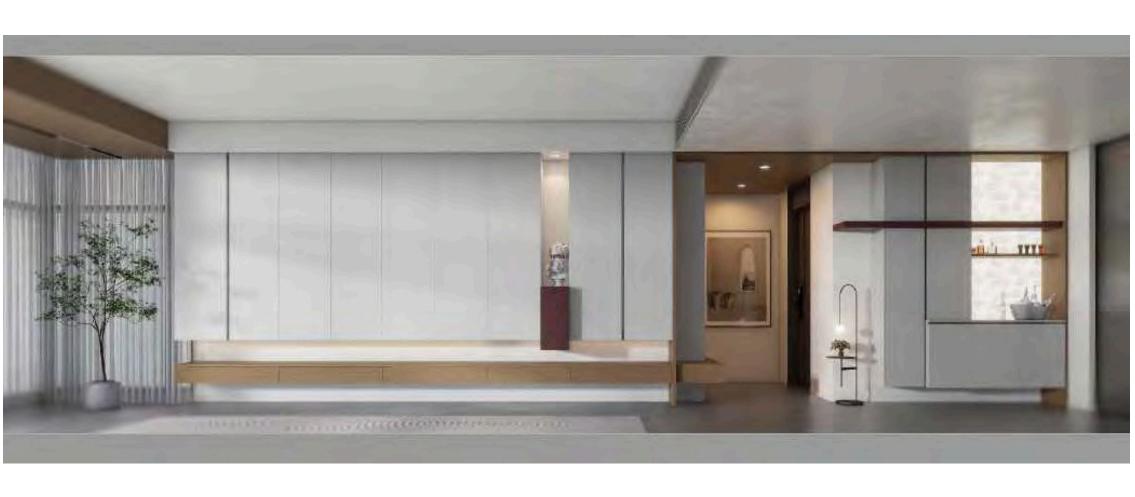

LUXURY RAFFAEL -SERIES

warm wood grain color,leather color and door dark,solid coior collision,highlighting the quality of high-grade gary;Add metallic color,instantiy lit up the vitaliy of the space.
